## Just ASK's Common Language and Concept System Make the Common Core Come Alive!

Judith Warren Little, Dean of the Graduate School of Education, University of California Berkley, wrote in her landmark paper, "Norms of Collegiality," that the students of those who engage in frequent concrete talk about teaching and learning using a common language and concept system achieve at higher levels. Just ASK took her research to heart and publishes books and offers professional development services that do just that.

### The Principal's Library

As instructional leaders, principals need to have their finger on the pulse of all facets of the teaching and learning occurring in the school. This comprehensive collection provides a common language and concept system across the spectrum.
